Thank you all!

As we move to close off 2022, I wish on behalf of the Board of Directors, Management and Staff a Merry Christmas and a Happy New Year to all our Residents and their Families.

It has been another momentous year of activity

It has been another momentous year of activity across our operational services, our Retirement Villages and Residential Aged Care and so special thanks to all our Staff and to your Families. You have brought consideration, care and respect to our Residents and fulfilled for another year, their protection and wellbeing. You have also embraced your care to each other as staff colleagues. Thank you!

RACF Residents Santa (John) Claus and June

As a Company, to say that the year 2022 has been busy, is an immense understatement. Every day is busy and I know that I represent my colleagues in our Company and wider when I say that there is way too much regulation and bureaucracy that is taking up valuable time when our time could be used more purposefully. I trust that this might change in 2023 but with an increasing public service, it does appear that they are generating work to justify their existence which adds little or nothing to our Industries.

Our Infection Prevention Control Practices have demonstrated an outstanding response

Another Classification A for our Catering Services, James, Ciaran & Sam

COVID-19 remains a challenge in particular to Australia's Residential Aged Care Facilities, its residents, families, visitors and staff. At Allambie Heights Village Residential Aged Care Facility, our Infection Prevention Control Practices have demonstrated an outstanding response daily to protect our residents, staff and visitors. Thank you all for supporting us in this, it is a shared effort and we ask that you continue to do so over the Festive Season when families visit residents or take them out to meet relatives and friends. Please be vigilant in sanitising hands, wearing masks, maintaining social distancing and refrain from visits or contact with residents of our RACF if you have any symptoms of feeling unwell.

Holger, Charles & Russell

I look forward to 2023 with enthusiasm and optimism
